

Best rate guarantee

Charleston Harbor Resort & Marina strives on giving our guests the best rate possible, no matter where they find us. If you find a lower rate on a different website for our property, please let us know and we would be happy to match that rate for the same set of dates.

We will confirm your bed request, either a Queen/Queen or King room based on your personal preference. Contact our reservations department at 888-856-0028 or at reservations@charlestonharborresort.com
